Subject: Silver Star & Village at Sunriver

Hi Terri

With the upcoming planning commission hearing involving the Village at Sunriver development, I wanted to make you aware that we have had an ongoing dialog with Silver Star with respect to fire protection concerns. Obviously, nothing has been decided in terms of a specific design and our discussions have been of a conceptual nature, but we have contracted with a fire protection consultant with whom I have spoken on a couple of occasions and it is our intent, and theirs, to work closely together in determining the needs for providing fire protection for this development.

If you have any questions or concerns, please do not hesitate to contact me any time.

Thank you, Terri.
